Shipment Notification Email

We've shipped the item(s) below and they are on their way. Any remaining item(s) on your order will ship separately and you will receive another Shipment notification email with tracking information when they ship. You will also receive a follow up Payment Confirmation, which will include final payment information indicating what you have been charged for these item(s). We hope you enjoy your purchase and look forward to serving you again.

Should you have any questions about your order, please email us at [REDACTED] or give us a call at [REDACTED]

Order not tracking? It may take up to 24 hours for the carrier's website to update the information. Don't worry, it's on its way!
