ADDITIONAL CARD SPENDING LIMITS TERMS & CONDITIONS

When you request that we apply a limit as described below on Charges incurred by an Additional Card Member on your Account, you agree to these terms. These terms supplement, and are incorporated by reference into, the terms of your Cardmember Agreement.

At your request, we may agree to apply a limit to the total dollar amount of Purchases, during each billing period, that are charged to card numbers associated with one or more specified Additional Card Members on your Account. At your request, we may agree to apply a limit to the total dollar amount of cash access transactions at ATMs and American Express Travel Service locations, during each billing period, that are made using card numbers associated with one or more specified Additional Card Members on your Account. If we agree to apply a limit, it is not a guarantee that the Additional Card Member will be able to make Purchases or cash access transactions up to the applicable limit. In applying any limit we may, but are not required to, take in to account any credits (such as for returned merchandise or for payments), even if a credit or payment relates to a Purchase made by the Additional Card Member. Any request that we change a limit may not be effective until a subsequent billing period. Any Charges (as defined below) made by the Additional Card Member prior to the date during a billing period that we apply the limit will not be subject to the limit for that billing period.

Because of systems or administrative considerations, arrangements with merchants, or for other business reasons, we may, but are not required to, treat some Purchases and/or cash access transactions (collectively, Charges) as not being subject to any such limits. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. While we typically require merchants to obtain an authorization for purchases and submit final transaction documentation for payment in a timely manner, a limit may not apply or may be exceeded when a merchant does not obtain an authorization for any reason; when a merchant obtains an authorization for a partial amount of the final charge submitted to us for payment; or when such submissions are not submitted or processed at the same time that the authorization is obtained. Examples may include, but are not limited to: Charges made outside of the U.S., in duty-free stores, or on board airplanes or cruise vessels; international airline ticket Purchases; vehicle rentals; lodging stays extended beyond original reservation period; certain mail order Purchases; Purchases billed on a recurring basis; Purchases at gas stations; telecommunications charges, including charges incurred with calling cards; taxicab charges; security deposits; late, damage or other fees in connection with rentals; Purchases billed in installments; restaurant tips and other gratuities; and Charges that occur before the end of billing period, if the Charge is posted to your Account after the Closing Date of that billing period, Charges for foreign currency or for travelers cheques or gift cheques obtained at a location other than an American Express Travel Service location or by telephone from us.
