Hi there Karyna,

First, thank you so much for your order on [REDACTED]. By now you should have received your order and (we're assuming) quickly ripped open the box upon arrival, and immediately tried on your new specs. Our hope is that your new Peepers have made you the envy of all your friends and you're loving these new readers.

Well we want to hear from you and so do your fellow Peeps! So please visit our site and review your glasses. It's fast, easy, and everyone will just love you for it (or at least almost everyone will - we can't make promises about how your grouchy next-door neighbor will feel about it...)
