Hi all,

It looks like our final order will be the following from Formaggio:

- 1 small Garden Crudité platter (\$45)
- 1 small Fresh Fruit platter (\$45)
- 1 Assorted Sandwich Platter (12 sandwiches @ \$8.50 per)
 - (2) Turkey & Swiss with Dijon
 - (2) Roasted Eggplant & Red Pepper
 - (2) Cucumber, Tomato & Hummus
 - (3) Bacon Lettuce & Tomato
 - (2) Salami & Provolone with Dijon
 - (1) Mozzarella, Tomato & Basil
- 1 Dessert Platter (12 desserts @ \$2 per)

Total (with tax) = \$211

I have called it into Formaggio tentatively and they are holding it for a credit card under the name "Program for Evolutionary Dynamics".

Let me know what you need from me!

Thank you Lesley and Katherine!

We can try Formaggio, or we can do Yoki, that is the Japanese place we ordered from last time, they also have vegetarian options. Here is the link to their website http://www.yokirestaurant.com/images/Yoki%20Catering2015_web.pdf

Mr. Epstein does not have any preference, so whatever Martin prefers is good. Katherine, please let me know..

Thank you,

Karyna.

Hi Katherine. I have Karyna and [REDACTED] on this email...they are the assistants that will be coming with Jeffrey on Thursday. Jeffrey has asked that Karyna and [REDACTED] help you with this lunch and organization of food. Jeffrey says you should speak with Martin as he believes there will be many people coming in and out of this lunch (buffet spread is perfect for such a situation) Jeffrey wants to make sure there is plenty of food and he will gladly pay. I know of the following guests for sure:

Jeffrey
Noam Chomsky
Valeria Chomsky
Joi Ito (vegetarian)
Danny Hillis (allergic to shrimp)
Joscha Bach (vegetarian)

Find out from Martin how many more guests he expects. I'm sure Karyna will be happy to give you a CC **tomorrow morning** once you all figure out the food!

You may certainly keep me in the loop on things and am always available to help.

Thank you, Lesley

Hi Lesley,

<http://www.formaggiokitchen.com/cambridge/catering/>

We always seem to get good feedback when we order from Formaggio. I think a buffet spread including:

- Either Garden Crudite or Roasted Veggie platter (vegan)
- An assorted sandwich platter
- Possibly a dessert platter?

Please let me know if there are any requests, or if you think another [platter](#) or [hors d'oeuvres](#) will be needed.

For Thursday lunch, the order needs to be placed by tomorrow morning – will you provide a card number or would you like to place the order directly?

Hi Katherine...I believe Joi Ito is a vegetarian...but I see he eats fish (he had salmon when he a was at Jeffrey's house last time) I think the Chomsky's eat everything...once I find out more I will be sure to pass along...If George Church can come he is Vegan!

Can you give me some guidance on food preferences? I understand there are dietary restrictions.
