Dear Karyna,

Please revise the dates the orders were placed, as you know not all the apartments were ordered at the same time, which means the arrival time will vary.  
There are several orders, the last ones finalized in December, are the ones arriving in March 22\*\*

In a few more days all items will be ready to ship.

Thank you,

Eduardo

Eduardo,  
I will review this list with Rich and get back to you with any questions.

More importantly what is going on with the deliveries for both Palm Beach and NYC. I need delivery dates as my client is getting very anxious and impatient with the constant delay.

I spoke to Rosana about this on Friday and she promised to get back to me then and still I have no word. We were promised this week as the delivery dates when you pressed for the last wire transfer. What is the hold up?

Please get me specific dates for both as soon as possible.  
Gregory
