I d appreciate if if you told me what it is that you want. i have no idea. I was away for two weeks, when I came home, , everyday you asked me at least 5 times, what i would like to eat. the food for the woody dinner granola? steak ? carvagio, etc . I have no interest in food.- none. I am happy , you should not feel you need to develop a desire that is not really there. it doesn't bother me in the least. I have no desire to talk to your parents. you don't mind, thats how i see it.
