Good morning

Sorry for the delay but Passover took over. As you likely know I'm very involved with the Jewish community (not Chabad) and we had a large Passover dinner last night. I had to make the potato kugels. I don't think I'll be looking at another kugel for a very long time.!

Anyway if you do celebrate Passover I hope you had a good seder.

Attached are the Tax Returns.

Profit and Loss and Balance sheets coming next email.

Let me know when you'll want to get together again. If you are truly interested in pursuing this I would like to spend a bit more time talking with you outside of the office without an immediate schedule afterwards. This would be an unusual "marriage" so I want to get a better feel for things.

Thanks, Donald
