Sorry sweets. I had to. Ion is starting today in your apt. He will start on living room. Sorry we haven't gone over the bedroom color yet. I might be back before he even gets to the bedroom. If you want to get some of the samples yourself for bedroom, the color chart is in my apt open to the colors we were contemplating. Also, your towel rail is in my apt right when you walk in.

[REDACTED], can you please meet Ion at Janovic tomorrow morning after you drop us off at the airport and help Ion take the supplies he needs to 301? If you can call Ion when you're headed back to the city. [REDACTED]. Ion, Jojos number is [REDACTED]. I would anticipate he will be back in the city around 9:30am.
