Good morning my sweets. I'm on my way to the airport now. He is torturing me. And actually really annoying me.

After you left my apt, I responded to Story's text that said he was coming to NY from Thur- Sat that said I def wouldn't be there then because I'm leaving super early in the morning and asked if there was something in particular he wanted cause I had taken some things to 71st to make room in my apt. He didn't respond until 7am this morning and just said "I'm disappointed you won't be there". Then another that said "enjoy your trip" then just sent another that said "I can't believe you didn't even try to stay in nyc".

I mean really?? I seriously doubt he will even be coming. F*ing mind game. It's so low.
