I am good :) it has been quite a process getting my documents in order. I had to renew my british passport and needed loads of documents from South Africa. Anyway, I have my new passport now. Parsons are currently reviewing my papers (previous visas, bank statements etc) Early this week they will issue me with the I20 form and I will be able to make an appointment at the embassy for the F1 visa. I hope appointments are readily available as I want to be back week commencing 26th jan.

How are you? I hope JE is doing ok. Please give him a big hug and kiss and lots of loving from me. Almost his birthday!!!! :))

xoxo
