* You must register for this promotion at ██████████ prior to booking eligible travel. Offer valid only for JetBlue flights (one-way or roundtrip) that are purchased and flown between now and 3/8/15. TrueBlue number must be entered at time of booking. New bookings only. TrueBlue members generally earn three (3) points per dollar spent on their individual JetBlue flight as the base TrueBlue point offer. Double Base Points are awarded on the base TrueBlue point offer, meaning that Members qualifying for this offer will earn six (6) TrueBlue points per dollar spent on their individual flight, and these six (6) points per dollar will count as "base flight points" for purposes of earning TrueBlue Mosaic. Points will be earned on the base fare of the flight only. Points will not be earned on government taxes/fees, travel insurance or other fees or charges (e.g., change/cancel fees, etc.). Offer not valid for previously booked flights or changes to a previously-booked flight. In the event you cancel your reservation, you will not receive any TrueBlue points from that reservation; in the event that you

change your reservation so that it no longer complies with the terms of this offer, you will not receive any Double Base Points; any points already awarded for canceled or changed reservations will be debited from your TrueBlue account. Offer does not apply to non-revenue travel (e.g., travel booked with a travel certificate, TrueBlue award flights, etc.); is not valid in connection with partner or codeshare or interline flights, Getaways vacation packages, cruises or any other product or service; may not be combined with other special offers; is not redeemable for cash; and has no cash value. TrueBlue account must be in good standing. All deadlines based on Eastern Standard Time. Please allow 4-6 weeks after the promotion period ends on 3/8/15 for Double Base Points to be posted to your TrueBlue account. Additional restrictions apply. See [TrueBlue Terms and Conditions](#) for details.

1. Welcome bonus offer not available to applicants who have or have had this product.

To qualify for the 20,000 TrueBlue points, you must make purchases with your JetBlue Card from American Express that total \$1,000 or more within your first three months of Card Membership starting from the date your account is approved. Qualifying purchases can be made by the Basic Card Member and any Additional Card Members on a single Card account. Purchases to meet the spend requirement do NOT include fees or interest charges, balance transfers, cash advances, purchase of travelers checks, purchase or reloading of prepaid cards, or other cash equivalents. Additional Card Members on your account are not eligible for this offer. TrueBlue points will be credited to your TrueBlue account 6 to 8 weeks after the spend requirement has been reached. All TrueBlue points are subject to the TrueBlue Terms and Conditions: see [REDACTED]

In rare instances, your period to spend \$1,000 may be shorter than three months if there is a delay in receiving your Card. Also, purchases may fall outside of the three month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped).

To receive the 20,000 TrueBlue points, your Card account must be active, in good standing, and not in default at the time of fulfillment. American Express reserves the right to modify or revoke offer at any time. For questions regarding your Card account, please call the number on the back of your Card.

2. Offers are subject to availability, capacity-controlled, limited by the cruise line, and may be changed or withdrawn from select sailings at any time without prior notice. Additional restrictions may apply; see [REDACTED] for full terms and conditions for each bonus offer.

Book any 2015 or 2016 sailing between 1/1/2015 and 3/31/2015 by midnight EST and enter your TrueBlue number at time of booking to earn 1 TrueBlue point per \$1 of your total cruise purchase price. TrueBlue points awards are per stateroom and are awarded to only one passenger per cruise booking. All qualifying sailings will earn 1 TrueBlue point per \$1 of the total cruise purchase price. New bookings only. Points will be posted to your TrueBlue account 6-8 weeks after your cruise has been completed. Cruises must be paid in U.S. currency. Points will be awarded based on total cruise purchase price and not on any post booking amounts (e.g., onboard purchases). First name and last name on cruise booking must exactly match the first and last name on your TrueBlue account. You must enter your TrueBlue number at time of booking; TrueBlue account may not be added retroactively to any booking; TrueBlue points will not be granted retroactively for any previous bookings. If you cancel your cruise booking or change your booking in any way so that it no longer complies with the terms of this offer, you will not earn any TrueBlue points from that booking and any TrueBlue points already rewarded will be debited from your account. Offer available to TrueBlue members with their account in good standing. Offer is not redeemable for cash, has no cash value, is nontransferable, and cannot be combined with other offers. Offer may be modified or discontinued at any time without notice or liability. TrueBlue points accrued and awards issued are subject to the Terms and Conditions of the TrueBlue rewards program.
