Subject: Master Complex Dentistry – Heike Kraemer and Sadao Sato

Date: Thu, 29 Jan 2015 19:03:30 +0000

Dear Shuliak,

This is the perfect course for anyone who is comfortable with day to day dentistry and wants to develop a practice treating complex, interdisciplinary cases with predictable and long-term stable results.

The IDEA Concept of Function and Occlusion taught by Heike Kraemer and Prof. Sato will change your dental career tremendously.

The benefit for you:

-  Understand occlusion and function and their importance for diagnostics, treatment planning and treatment
-  Achieve long-term stability in the treatment of all your cases - from simple to complex
-  Become safe in treating complex cases needing full mouth reconstruction and/or orthodontics
-  Grow your quality practice with confidence and competence and create loyal patients
