are you sure we have a dental residency anymore?? will check and can definitely get a courtesy interview that does not change the fact that I need her name, need to know if she's officially applied and has been given an application number, you realize her name is no where below so I can't do anything without that info. why not put us in touch directly and I'll handle.

need more information than that there is not thing as a "general practice residency" do you mean an internal medicine residency" I'd need her name, I can ask as a courtesy to have her interviewed but the residency match is a totally computer driven thing. You interview where you're invited, you as the interviewee rank the institutions and

they rank you and hopefully a "match" is made, this is nothing a human can intervene in ie Match day is in March and it's an infamous day all over the country everybody is waiting to see where they matched.

Pls put me directly in touch with her and I'd like a copy of her CV and a confirmation of what program she's applied to and I'll reach out to that Chairman and ask that she be interviewed, Happy to do whatever I can to help

All good here, hope same! R.
