Greetings [REDACTED],

The furniture needs to be packed/crated for shipping. The replacement cushions for that furniture will be completed this weekend, and Janusz has made arrangements to collect them. Once everything is packed/crated for shipping, they will need to be taken to Tropical Shipping. Janusz knows the procedure for this.

I can create the invoice once Mr. Epstein tells you what value he would like to place on the furniture.

Kind regards, DW

Hi Daphne,

Mr. E wants us to ship all the old outdoor furniture that is currently in Palm Beach to LSJ. Please advice how should we proceed..

Thank you,
