Hoooooraaayyyyyy!! You ordered a Panda Planner!

The good elves at Amazon's Workshop are hard at work on your order and the planner should be sent out very soon!

That's how it works, right? I'm pretty sure Amazon is basically a digital Santa, but I could be wrong...

In any event, the reason I'm so excited for you is because I know how much this planner has transformed both my own life, and the lives of many, many others.

Seriously, I was a mess before; my personal sadness-cocktail was a mix of Lyme Disease, Traumatic Brain Injury and Cancer, and it certainly packed a punch! haha

This system is what helped guide me from the darkness into the light (I like cheesy metaphors, give me a break).

And as a token of my thanks, I have attached one of the eBooks I promised you called, "How To Cure Procrastination".

Inside the eBook, you'll find a bunch of great tips to overcome procrastination before your Panda Planner arrives.

Do you want the video for that eBook instead of reading? How about getting 6 more eBooks with awesome training material?

Simply go to the site listed inside the 1st page of the eBook to get instant access to SIX additional ebooks, plus the following videos:

1. How To Crush Your Goals
2. How To Get Rid of Anxiety
3. How To Get In Shape Fast
4. How To Be a Well Paid Freelancer
5. How To Be a Straight-A Student

6. How To Cure Procrastination

7. A Billionaire's Top 5 Steps to Productivity

For a limited time, I'm also including my new bonus mini-course as another "thank you" bonus called, "How to 10x Your Productivity using the Panda Planner", which is a \$47 value by itself.

So that's a total of 6 ebooks, 7 videos, plus my complete mini-course...

All of which is yours at zero cost.

Just be sure to check out the website on page one of the ebook to claim all of your bonuses today. (why procrastinate, right?)

And remember...

All of this is designed to ensure that by the time your Panda Planner arrives, you are more than ready to take massive action towards all of your goals and put your planner to great use.

I'm so excited for you and look forward to hearing how the Panda Planner has helped you in your life, business, work, or with school!

Thanks!

Michael Leip
Creator of Panda Planner
