Dear Karyna Shuliak,

I understand you need a Schengen visa that would be valid for St-Barth as well. Kindly let me know if your main destination is France and the purpose of your travel so that the visa Department could assist you.

You can access full details on the requirements on the website of the general consulate of France.

Should you need any additional information, do not hesitate to contact me directly.

Best regards,

Jacqueline Frey
Head of Visa Department
Consulat général de France

Objet : French consulate appointment

Dear Mr. Lortholary,

Olivier Colom suggested I contact you directly. I would like to thank you in advance for your assistance. Myself and two colleagues, all Russians, would like to extend our Schengen visas and amend them to include St-Barths. We could all take Wednesday morning off from school to come to the consulate if that were possible, otherwise of course we stand ready to meet at your convenience.

Thank you very much,

Karyna Shuliak.
