I didn't. I don't know why. I feel very low today. He sent me a text wishing me a happy valentines day with a photo of a valentines by It's Always Sunny in Philadelphia. Then he asked me again if I will be in NY this weekend.

I'm beginning to think I should just tell him I will be here(cause I will) and get it over with talking to him in person and he can get a few of his small breakables, etc.
