Our staff can serve. We have an extra staff member in town from another house helping out this week, so we should be fine on that end

Do I need to bring a server for the dinner or will your staff help out?

Dear [REDACTED]

Sure happy to teach you! I am totally smashed with work today and tomorrow so I would need you to have all the ingredients on hand.

How does this sound:

Polenta with Sauteed Shrimp with Brown Butter Sauce and Fresh Herbs
Arugula Salad with Lemon Vinaigrette and Shaved parmesan
I will send you a shopping list.

10:00 o'clock?

Hi Peter,

Jeffrey was asking if you might be available to come to the house Thursday morning to teach a few of us how to cook something simple. Are you free earlier in the day on Thursday to do this before you need to start prepping for the dinner?

The dinner will be at 7pm and it will currently be for 7 people. Pls let me know if it works with your schedule to come earlier. thank you!

Hi Peter,

I just wanted to touch base to confirm we will definitely be wanting you to cook for a dinner on Feb. 16th at Jeffrey's house in NY. I'm waiting for the confirmed time and amount of people and will let you know as soon as I know!

Best,
