Hi Karyna,

Spoke to Valdson - he will type the muffins recipe, he said that he had not adjusted anything and used the same ingredients that we bring from NY,

He doesn't use white flour - uses the brown one instead. He does use nuts, depending on which nuts he had at home. He also adds almonds (didn't catch if it was grained almonds or almonds powder - will verify once I have it written down by him).

Hi [REDACTED],

Just wonder if you were able to translate Valdson's recipe for Jeffrey's muffins?

Also, could you please ask Valdson if he does not use nuts, flax seed and ground flax seed meal, and if he uses white flour instead of the whole-wheat flour. I have sent him an email a few days ago, but still don't have a response.

Thanks a lot!
