Greetings Karyna,

Mango Tango will collect the photo for Cabana 1 tomorrow. Sylvester is scheduled to work on your other project starting tomorrow.

Kind regards, Daphne

Sorry, I was asking about the frame for Cabana 1, that needed to be adjusted. Sylvester is working on a different frame, but let's check on that as well please. Thanks.

Hi Daphne,  
Just wanted to check on the progress with the photo frame that initially was too big, did they give you any time when it should be done?  
Thanks,  
Karyna.
