Hey Karyna, good to hear from you! I was taking a short trip-- we should start preparing now, slowly, and file 3 months before your status expires, in September. We cannot file earlier than that.

Would you like to come by the office to discuss the process?

Best,

Arda

Hi Arda,

I haven't heard back from you. My 2 year green card will expire in January 2017. Should we start preparing any paperwork now?

Thanks,
Karyna.
