Greetings [REDACTED],

Mr. Santos would like to borrow the 4 pieces of furniture he requested starting next Monday, 6/27. He said he will only need the pieces for 3 days.

Please advise if this is acceptable.

Kind regards, Daphne

Happy Wednesday Mr. Lory,

Your timing is perfect! We received the samples today, and we are confirmed for color choice number 1.

Thank you for the extra consideration, and we will wait for your call or email on when the fabric has arrived so we can arrange the furniture pick up.

Kind regards, Daphne
