Dinner dialogue for the foodies....

(Context: I didn't love a pasta dish) "Bad news [REDACTED]. I'm not sure what's going to happen to you... You're not going to be able to eat anything [in NY]! You are already so spoiled."

(Context: I claimed I would not miss the tiramisu) "I'm still gonna miss this... It's gonna be a 100x's worse in NY!"

K - "Like if this were a regular restaurant in NY I'd order from them all the time."

Me- "I wouldn't."

"I would."

"I wouldn't."

"I would." ...

Love you girls.
