Hi Karyna,

It was nice speaking to you today about the mattresses. We can send the two mattresses to the port. We will need the exact name and address of the shipper, and a contact and phone number, plus name of the party that is buying the mattress, their address and phone number. We will leave in original package for shipping. Also are you sure of the second mattress size "60"x80" is a queen. Get back to me with the information and charge card and we can go ahead and place order. Thanks I will be here until 6:30 today.

Hi Judy,  
This is Karyna. As per our conversation, I included Ms.Daphne Wallace on this email, who will be able to provide all the necessary information for shipping of the mattresses. The final destination would be in St. Thomas, USVI. Could you please specify for her what details do you need for the shipping?  
Thanks a lot,

Karyna.
