Karyna, I double checked with Rail Europe. For the part from Venice to Florence it is with Italo, they do not have tickets. Just print out what I emailed to you (not the attachment, attachment is a e-ticket to Rome).

For Venice Florence you have to know -

e-ticket confirmation code [REDACTED]

So, when you are at the train station, just find the train on the time table screen and board. Once you boarded the train, conductor will come and scan your documents (ID).
