Hey ya sweets! Still in Cali. Staying in Long Beach for the TED convention. Going to head to LA this afternoon to go to Fred Siegal and do dinner in LA. JE is headed to Palm Beach on Friday, but I think I'm going to stay here with [REDACTED] till Sunday and fly straight to the island. Will probably in island till the 11th at the latest then in NY that week, but leaving on the 16th for Paris.

So, in short, haven't seen driver yet, not till next week. And will be back in NY week of the 11th(or sooner if je let's me come back before him)

And regarding wirdswithfriends, it's just my time now. 😊

Miss you!
