Hi [REDACTED],

No problem at all.

I have unlocked it for you as well.

I believe Jeffery has signed up on the platform, but might not have clicked on the verification link he would have received in his inbox. If you could kindly communicate this to him, will be very helpful.

If you have any trouble accessing the app, please feel free to reach me and I will get back to you at the earliest.

Hi Mandanna,

Sorry, my fault, looks like I did not fully register before. If you could please try again with my email, I believe it should work now.

Thank you and sorry for the inconvenience...

It was indeed a pleasure to meet you all and will also have Carolyn send the Dreamweaver.

With gratitude,
