That is great to hear, I am glad things are going well for you guys!

Kimberly, I would like to go over some housekeeping questions with you in more detail when we will be on the island next time, to hear your ideas and to share mine. In the meantime, please feel free to email or call me whenever you have any questions or need anything from NY. I will also be in touch regarding possible orders being shipped for the island, household products updates, etc.

Michael, regarding the food for Mr. Epstein, I will let you know in advance when possible. But in general, Mr. Epstein likes to have small fresh snacks with protein around at most times. As for proper meals, he usually likes dishes with chicken, beef, eggs. For example, lately he seems to like chicken parmesan with a side of string beans. He also likes steak, beef stew, pasta, good calf's liver with caramelized onions, For a late morning meal - things like eggs over easy with potatoes or cheese omelette with toast. He also likes to have some fresh cookies or some other small freshly made sweets around and also various nuts, like pistachios, cashews, macadamia and walnuts. These are just a few suggestions. I am sure as a chef, you will have many more ideas. And I will be happy to discuss any questions you might have.

Thank you!
