Subject: Re Housekeeper

Date: Mon, 12 Jun 2017 17:24:23 +0000

Good morning [REDACTED].

This is to let you know that I was not successful in your request to look for a Housekeeper, for reasons that either they are employed already & or they are on student visa.

Per your instruction I did not mention our conversation to Renato. But through our conversation today he mentioned about friends of his who are looking for jobs. I think he will be a good source for prospective candidates that you may be looking.

My best.

Louella
