Hi Rich,

We need to replace 2 washing machines in Palm Beach with the new ones. Mr. Epstein has approved. I suggest getting the same, as we did for New York, they seem to be working well. This is the link from bestbuy <http://www.bestbuy.com/site/whirlpool-cabrio-5-3-cu-ft-26-cycle-high-efficiency-top-loading-washer-white/2875992.p?skuId=2875992>

Please advice how shall we proceed with the purchase.

Thanks a lot,

Karyna
