Hi Gregory,

Jeffrey advices to move my sectional sofa into 7J, and move the small sofa from 8A into my apartment to see if it works, I know we have an extra one, that Lyn took yesterday. If that works, then problem solved. I will need another side table for the 2nd lamp though. I asked Penn to do the moving today.

What you are not seeing in the photo is that there there is still room to the window because her console from the front entry is there along with boxes while her kitchen and entry are under renovation. I asked everybody to wait on this renovation until after these deliveries but no one listened to me.
