Dear Ms. Tschida,
Please note that the USVI application is for dental licensure, not dental hygiene. I just noticed that in your previous email.
Thank you!
Dr. Shuliak.

Dear Dr. Shuliak,
We have received your Level III PBIS Virgin Islands Application for dental hygiene licensure. Please allow two weeks for complete processing. Once the PBIS process has been completed, and your file has been sent to the Virgin Islands Dental Board, I will again send you an email confirming everything is done. Should you have any questions at all during this process, please do not hesitate to call me.
Sincerely,

Kandiss Tschida
Administrative Assistant
