Great, thanks a lot Marisa. I am just not there and did not receive any notice of delivery.
Happy holidays!
Karyna.

Both items were both either shipped (and have arrived) or hand delivered:

1. The lip products shipped on 12/15 and were delivered on 12/18. The UPS tracking # is 1Z7X33Y00395353749. The package was signed for by someone with the last name Santiago.

This is the address they shipped to (address you supplied online):

The proof of delivery is:

2. The cufflinks were delivered in person to your building today (as I emailed you last week). I emailed Kelly Gerber and she confirmed that they in fact were dropped off. I gave her the delivery address you supplied online which is the same address we shipped the lip products.

Please let me know if you have in fact received your items as you should have your entire order.

Best,
Marisa

Hi Marisa,

Thank you. Is there a tracking # for the shipping? They didn't arrive today. Also are you shipping the rest of my order with them (lip products)?

Thanks,
Karyna.

Karyna,

I just finished speaking with Kelly Gerber. Your cufflinks are nearly completed. Instead of shipping them to us and then to you, Kelly offered to have them delivered to your building on Monday (she is also in New York). That would prevent any possible shipping delays/exceptions and ensure that you have your gift in time for the holidays. I mailed her our packaging and a jewelry pouch so it will perfectly ready for gifting. Please email or call if you have any questions. Happy holidays from Linea Luxe!

Best,

Marisa
