Hi [REDACTED],

Sorry for the confusion with the emails. Please disregard the first email called [REDACTED] 3. I had to adjust the size and send it differently. The first 15 pages are emailed separately, others are in clusters. I marked the numbers of the pages the way they were placed in your file. Because of different email size the numbers are not in a right sequence. Please call me if you have any questions or need me to redo anything.
