A high resolution on a hard drive would be better. Would you like me to purchase one and bring it to you?
Thank you,
Karyna.

Hi Karyna,

Due to the large size of a full resolution file (60mb) we usually don't send full batches in this format.

If you wanted everything in Hi-Res we'd need to purchase a hard drive.

OR

I can send you all the group photos and your individuals in Medium resolution. (10mb)

Does that work for you ?

Can you let us know which specific files [REDACTED] like?

Hi Antoine,

This is Karyna from Jeffrey Epstein.

I wonder if you still have our photos (the group photos mimicking Helmut Newton's shot, as well as my individual photos). The photos Jeffrey has on his computer have poor resolution and he can not find the CD with the originals.

I'd like to pick it up when convenient for you, and of course pay you for your time.

Please let me know.

Thanks a lot!

Karyna.
