Right, but I agree, that the size of the side table vs the coffee table might be better. Erin, when are they supposed to get them in stock? Can I get back to you regarding them on Saturday?
Thanks.

You did send me this picture but I think when you sent approval you said to order the side tables not the coffee table.

Please confirm. I just dont want to have a problem.

Thanks!

Just sent him these. It says coffee table, but I guess it could be used as a side table looking at the size..
