Most importantly, please ask Crate and Barrel to state the Country of Origin for the items on the invoice - Customs will delay clearing the cargo if they have to inspect it to obtain this information.

Kind regards, DW

Greetings Karyna,
I think the most efficient way to handle this delivery to St. Thomas is to have Crate and Barrel deliver to the Tropical Shipping address I gave you in Medley, Florida and we take over from there.

Mr. Epstein has an account with Tropical already established, he has Customer reps assigned to take care of this account, and on the St. Thomas end, Anna can clear the cargo if she receives enough advance notice.

Kind regards,
DW
