Hello,
Thank you for your notice. I will keep the order. Please send me a confirmation when the order is been shipped.
Thank you,
Karyna.

Hi Karyna,

Thank you for your order! They are on order with Sabre, however, France is currently on holiday for the month of August. This is not going to ship until early September. We will send the order as soon as it arrives. I do understand if you need to close the order, I apologize for the unexpected delay. If you have any questions, please let me know.

Best,

Katy
