Best regards,

Hi Mark! How are you? Long time..

I have a favor to ask. I'm trying hire someone to help me with my "interior design" business who is South African. We are having trouble getting her visa approved. It has been denied, but I am submitting a response on Monday to immigration. The lawyer I am using thinks it would be helpful if another established designer wrote the attached letter attesting to the fact that a good business manager with interior design knowledge is essential to the business. Would you be able to help me out with this?  
Basically it would require you to fill in a few blanks, sign, and print the letter on your letterhead. The lawyer is asking for this today. Would you be willing and able to help me with this? Thanks so much,

This is the letter that Arda sent me requesting for you to have an interior designer or graphic designer finalize and sign this letter for Arda's submission (essentially a response to Immigration's denial) that is due on Monday, March 26. Jeffrey told me earlier this week that he thought that there was someone who could do this for us. Please forward to that person and get them to complete the letter -- the areas in the first paragraph require a statement about number of years in the business and a description of the designer and the designer's success -- put it on their letterhead, sign it and send back to me by Friday. Thanks.
