It is quite hostile. Especially the beginning. I think we can get the point across that there are definitely inaccuracies without ripping them a new one! It was def careless on their part cause they got all the info wrong on the business, position, etc.. But still..

I received this from Arda and am reviewing it. Wanted to send it to you so you could discuss with JE. I do not understand why he is being so antagonistic with Immigration. Although I have no experience in dealing with them, this seems very hostile and not likely to yield a positive result. Please let me know if you and JE agree. Thanks.
