Hi Rich,

Yes, [REDACTED] has given them SLK info and they created a trade account for us. We haven't place an order for the furniture yet, but we paid for their design service, which is \$1000 (\$800 from it goes as a credit to the future purchase). Jeffrey has chosen a list of furniture and they put it together, you can see it in the forwarded email below. The total price should be adjusted according to the discount, put please check if it is correct.

Let me know if you have any questions please.

Thank you,

Karyna.

Good afternoon Karyna,

As per your request, here are the items with notes.

We can change the configuration or the furniture to your specifications.

Since there are different layouts and I am not familiar in which the chosen items are supposed to go (usually we work on the plan first, in order to specify the furniture) tomorrow Carolina and I will contact you to finalize the plans and options.

For some missing items, we might not have enough quantity or availability.

Thank you,

Best,

Eduardo
