>> Jeffrey said I can ask you for help with the apartment, as I am in school all days. Ion has started the prep work yesterday. Could you please meet Ion today and let him into 8H. Also I need someone to start moving the furniture from 8H into 8A. Jeffrey said to ask Anthony if the building guys can do it, if not Merwin and Jojo should help. They can start moving stuff out from the living room, everything can go except for the new wood cabinet and the white lacquered cabinet with the printer on top. Also they need to remove the white shelves from the walls.
