Perfect! Thank you!

No TV in the bedroom for now.

Also the white/gold console table from made goods and PAX white cabinet from IKEA were approved by Jeffrey, so you can order them.

He didn't like those shell lamps for the bedroom, will need to find something else.

For the dresser: which one would you choose from these 3?

Hi! Lindsey and I will come by at 10:00 a.m. to meet with Penn. We know how to do nice curtain panels with a blackout shade. All set.
