hey [REDACTED]. We have gotten a new stove at 71st in the basement as a gift, thus we have a nice big Viking stove that we have no use for. it is a 48" viking with grill, etc. I'm trying to figure out what to do with it, and JE wanted me to ask you if you think [REDACTED] could use it at his house? Lemme know if you'd like to come have a look at it. It's at 71st . I can try and find a photo too to send to you..
