Hi Erin,

Thanks again for the recent carpet samples. I would like to find something in a warmer white/ivory color. Please see the pictures below

On the left is the sample from you that I liked, just the color is too white. On the right side is my wool sample in the color I am looking for. I like it's texture and pattern as well.

This is the back of your sample from the previous picture. So if you could find something like that in a warmer white or wool similar to my sample would be nice as well. Or anything else you can suggest in warm white/ivory.

If you find something could you please messenger it to me ([REDACTED])

Let me know if you have any questions.

Thank you,
Karyna.

Hey Karyna,

Thanks so much for stopping by last night! Our messenger is stopping by your residence today to drop off the samples we discussed yesterday.

Let me know if there are any that you like and I will send pricing and lead times.

And when you're finished selecting samples, we can send our messenger to pick them back up.

Let me know if you have any questions!

Thanks,
