Yes, I will ask someone to let you in, just let me know around what time. Also I will be available on Tuesday morning before 12pm, and there is a chance I might be off in the afternoon. I will let you know.

I would like to meet with you as well to discuss the apartment. I will be available this weekend, but if you are busy I could do some time next week after school, but it will be in the evening, and on Thursday I am leaving with Jeffrey..

Let me know what works for you.

I like the idea of using a tape similar to this but maybe a little lighter for bedroom.

The light fabric color I gave you may not show up... Maybe we can meet up next week?

If you could find out what Jeffrey would like to do about painting that would be super!

Thanks!
