Dear Student:

Your most recent Student Account Statement is now available online. Payments toward account balances must be made by September 13, 2013.

Note that if you do not make a payment by the due date, your account may accrue late fees. Additionally, if you have a balance of \$1,000 or greater when registration begins, your student account will be placed on a financial hold and you will not be able to register until you pay your balance.

To view or pay your statement, please login to Student Services Online at: <https://ssol.columbia.edu>. Payments made by 10:00 p.m. will be posted to your account on the following business day.

If you are using the payment plan, remember to make sure your budgeted amount is enough to cover your term bill. For more information, please see: <http://sfs.columbia.edu/billing/ways-to-pay#payment-plan>.

If you are sponsored by a third party, please refer to the information regarding Sponsored Students on our website at <http://sfs.columbia.edu/billing/ways-to-pay#sponsored%20billing>.

Authorized Payers: Your Authorized Payers are now able to view current account balance in the Account Status link on the E-Billing website at: <https://quikpayasp.com/columbia/tuition/authorized.do>.

If you need additional assistance, the following resources are available:
