Happy Birthday, Doc!!!

All the best to you - health, love, happiness and everything you need and want in your life - may it all come true!

Hope you have a great time today, and don't forget to make your B-D wish!;))

I tried to give you a call, but the connection was unavailable and either thing with the messages when I tried it, so I hope you'll read this e-mail today. Send you a special postcard, have a look:)
