Thank you Karen, Mr. Epstein is asking for a raisin bran cereal and some full fat plain yogurt please (if there is plain Stonyfield yogurt get both full and low fat please). And also if you could get a few packs of strawberries and some bananas (I use these a lot). I have asked [REDACTED] and [REDACTED] too, will let you know if there is anything else.

Thanks a lot,
Karyna.

Good Morning Karyna

Just to let you know we will be finally doing a big food shop berries everything - let us know if need anything special

Did not complete as planned yesterday

Warmest regards

Karen
