Yes, I'm interested in continuing my education in America to become a dentist. But it's really not an easy thing cause of our laws here in Belarus. Here we have paid and free educating system, it depends on your marks for the entrance examinations, if you got enough you may study free of charge, but after the graduation you have to work 1 year as an intern and then 2 years more in the place where you'll be sent to. If you will not, you have to pay money for all this years to get your diploma. So I study free of charge, that's why I want to come to the US this year and try to spend some money and improve my English, cause after my graduation I won't be able to.

I'll let you know when I'd have free days to show you what you'd like to see as only I find out the day of my last summer exam, cause the schedule is still not came out. I guess it would be the end of June. For how long you can get your visa?

Karina,

Your English is fine. Read more English books, magazines etc. You just need practice. Someday you will go to Dental School here, I hope.

to pass the exams and to have a successful practice the command of English is imperative. Dentistry I can teach you like nobody else.

Are you interested in living and being a dentist in America? Will your family will be okay with it?

I am looking forward to seeing you in Belarus. I hope it would not be a problem for you. Please let me know when your exam ends and when vacation begins.

Do not leave me sitting in a hotel in Minsk !!

Call you in the morning.

Vassily.

Subject: Job offer

Hello Vassily Malikov!

Hope you are alive after yesterday classes:)

Here I send you a job offer application for you to fill and the sample of my last year job offer. Fill out this form like in the sample please. In a 'JOB DESCRIPTION' part you'll see the line 'Description of general job duties' - better write there only 'cleaning', and in the line 'Job is valid FROM' write the same date as in the sample only for 2010 year. In the part 'HOUSING' just point to 'No'. The other lines except your personal information you may fill like in the sample. Or you may fill only the lines with your personal information and your signature, and the rest I'll fill by myself. Ask me if you have any questions.
